#### IV. Your rights concerning data processing:

You also have the following rights in connection with the processing of your personal data:

***ATTENTION!** The GDPR contains a number of detailed rules regarding the rights of the data subject, which the Controller is obliged to comply with, however, in order to ensure the transparency and traceability of this Data Management Notice, we have summarized the essence of these rules. If you have a question, please contact the Controller at the contact details described in section I, in which case the Controller will be happy to provide you with more information about your rights.*

##### 4.1. Right to access:

You are entitled to request information through the contact details of the Data Controller as to whether your personal data are being processed and, if such processing is ongoing, you are entitled to know that the Data Controller.

- what personal data;
- on what legal basis;
- for what purpose of data management;
- how long

handles; in addition, that

- to whom, when, under what legislation, which has granted access to your personal data or to whom you have transferred your personal data;
- from what source your personal data comes from;
- whether the Data Controller uses automated decision-making and its logic, including profiling.

The Data Controller shall provide you with a copy of the personal data subject to the processing free of charge for the first time at your request, after which you may charge a reasonable fee based on administrative costs.

In order to comply with the data security requirements and to protect your rights, the Data Controller is obliged to verify that the identity of you and the person wishing to exercise your right of access is consistent, for this purpose the information, access to the data and the publication of a copy of it are also subject to the identification of your person.

##### 4.2. Right to correction:

You have the right to ask the Data Controller through its contact details to correct the inaccurate personal data concerning you. In case you can verify the accuracy of the corrected personal data, the Data Controller fulfills the request within one month and also notifies you.

##### 4.3. Right to deletion:

**dr. PILLING Zoltán**  
**Ügyvéd / Attorney-at-law**  
Bartók Béla út 15/A. IV/23.  
H- 1114 Budapest  
Magyarország / Hungary

You are entitled to request the deletion of your data, in which case the Data Controller will consider whether the conditions for deletion exist. If the conditions for deletion are met, the Data Controller will delete the personal data without undue delay at your request. Please note that in the case of data processing pursuant to paragraphs 3.1 to 3.6, the retention of data is required by law, therefore it is only possible to delete them after the expiry of the statutory period.

#### **4.4. Right to the limitation of data processing**

You have the right to have data processing limited (expressly marking the limited processing and providing separated processing from other data) by the Data Controller at your request if any of the following requirements is met:

- you dispute the accuracy of personal data; in this case the limitation is for the period necessary for the Data Controller to check the accuracy of personal data;
- the data processing is illegal and you do not request the deletion of data, requesting the limitation of using the same instead;
- the Data Controller does not need the personal data any more for data processing purposes, yet you require such data for submitting, enforcing or defending legal claims; or
- you objected to data processing; in this case the limitation is for the period necessary to establish whether the rightful reasons of the Data Controller enjoy priority over the rightful interests of the data subject.

#### **4.5. Right to objection:**

You have the right to object to data processing for the purposes of point 3.8 to 3.14. In the event of a protest, the Data Controller shall consider whether there are compelling legitimate reasons that take precedence over the interests, rights and freedoms of the data subject or which relate to the submission, enforcement or protection of legal claims.

#### **4.6. Right to the mobility of data**

In connection with the processing of data for the purposes of point 3.7, 3.13 subject to its legal basis, you are entitled, through the contact details of the Data Controller, to receive your personal data relating to you in a delimited, widely used, machine-readable format, provided that the Data Controller will also handle it in an automated manner.

#### **4.7. The rules of procedure governing the controller in the exercise of your rights:**

Please submit requests aimed at exercising your rights using the contact options indicated in section I.

The Data Controller shall inform you about measures taken as the result of your request aimed at exercising your right without unreasonable delay but within one month at the most from the reception of the request. This deadline may be extended by an additional two months, considering the complexity of the request and the number of requests, if applicable, about which you shall be informed. The Data Controller shall inform you about the extension of the deadline within one month from receiving the request, indicating the reasons for the delay. If you submitted the request electronically, the information shall be given electronically if possible, except if you request otherwise.

If the Data Controller does not take measures as the result of your request, it shall inform you without delay, but within one month from receiving the request at the latest, about the reasons for not taking measures and about that you may file complaints at any supervisory authority and may exercise your right to judicial remedy.

The Data Controller provides the information and the measure taken free of charge. If your request is clearly unfounded or excessive – especially due to its repeated nature – the Data Controller, considering the administrative costs of providing the requested information or taking the requested measure, may charge a reasonable amount of fee for the administrative costs, or may refuse taking measures based on the request. Proving the clearly unfounded or excessive nature of the request is the burden of the Data Controller.

The Data Controller informs all addressees to whom the personal data was disclosed about all corrections, deletions or limitations of data processing, except if it proves impossible or would require a disproportionate amount of effort. At your request the Data Controller shall inform you about such addressees.
